IN MEMORIAM

KEITH CRAIG MANFRASS

October 14, 1946 - April 12, 1970

A MAN TO REMEMBER

If you measure a life by its span of years,
Keith was still a boy -
A boy with children too young for tears,
Too young to remember his smile,
His funny way of saying things,
To know the sadness his memory brings.

If you measure a life span by example set,
Keith was long a man -
A man we never can forget,
Always kind and friendly and gentle,
Too tough to quit, too brave to cry,
He has shown the way to each of us,
In how to live and how to die.

The Junior year held many memories for the Class of 1971. We sometimes wondered if they would ever make it, but they deserve a pat on the back for the way they handled all the responsibilities that go with being Juniors.

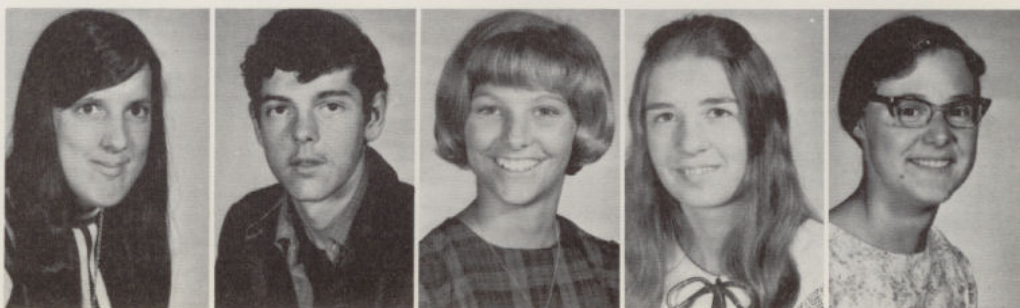

If their Senior year is as eventful and successful, the Class of 1971 should be one S. H. S. can be proud of.
