**S**treetsboro High School's 1994-95 school year was one of improvement and change. The past couple of years, new businesses have been popping up throughout the community of Streetsboro. It seems as if more and more are arriving each day.

"The city has gotten many people into the community by giving tax abatements," said Streetsboro Superintendent Bob Love. "They've given more than 30 abatements to more than 30 companies. The businesses that are coming are good and wholesome and stable development-related growth is being felt." **Some of these new businesses include Walmart, Fashion Bug, Revco and Chrysler.**

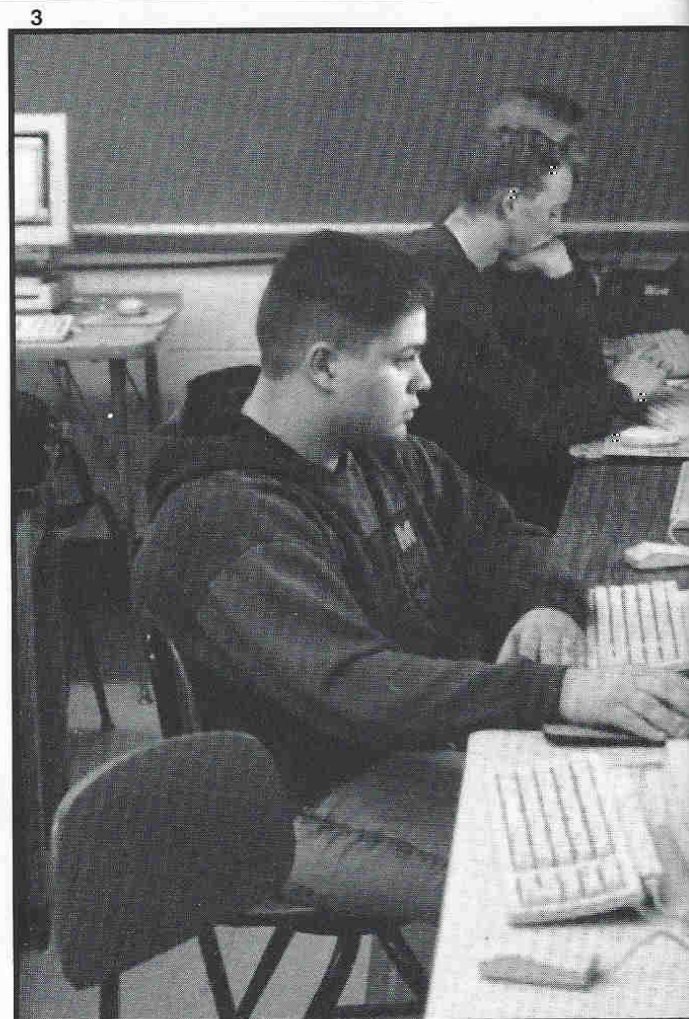

Along with the booming businesses are the new housing developments. One development is Deer Meadow Estates which is a high income development. With these new developments, the schools plan on seeing a rapid growth of population in the school district. **In the next ten years there should be a 24% increase of students in the Streetsboro School district.**

There will also be many changes in the high school next year. For the past year and a half, the school board had been thinking of a new way to meet the needs of both students and teachers. **Next year the high school will go to block scheduling.** There will be four 90 minute periods in a day with an hour lunch. Full year classes will meet half a year and semester classes will be nine weeks long.

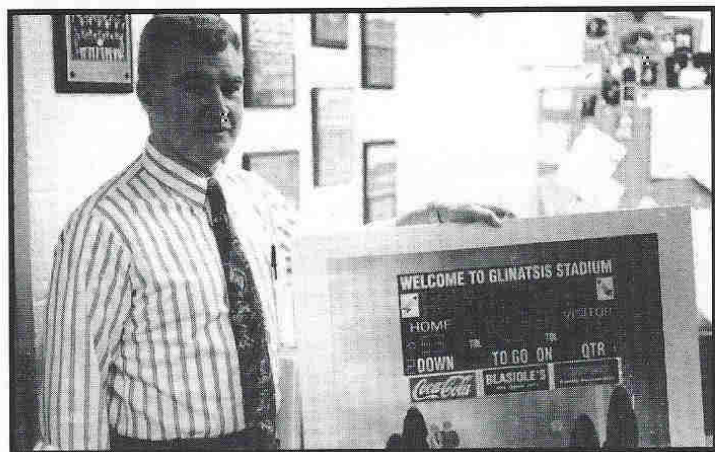

**Anyone that lives in or out of the community of Streetsboro can see that the city is *Under Construction*.**

# Homecoming 94

Homecoming this year, was held on October 8 in the Streetsboro High School gym. The theme of "One Enchanting Evening" set the mood for a night of fun and dancing. Although the Rockets lost a disappointing game the night before to the Garfield G-Men, many people still enjoyed the annual dance. Everyone, though, didn't enjoy the dance as much as they hoped.

"It seemed as if people were moping around, which may have had something to do with the game that was marked as a loss," said senior football player Paul Chudzinski.

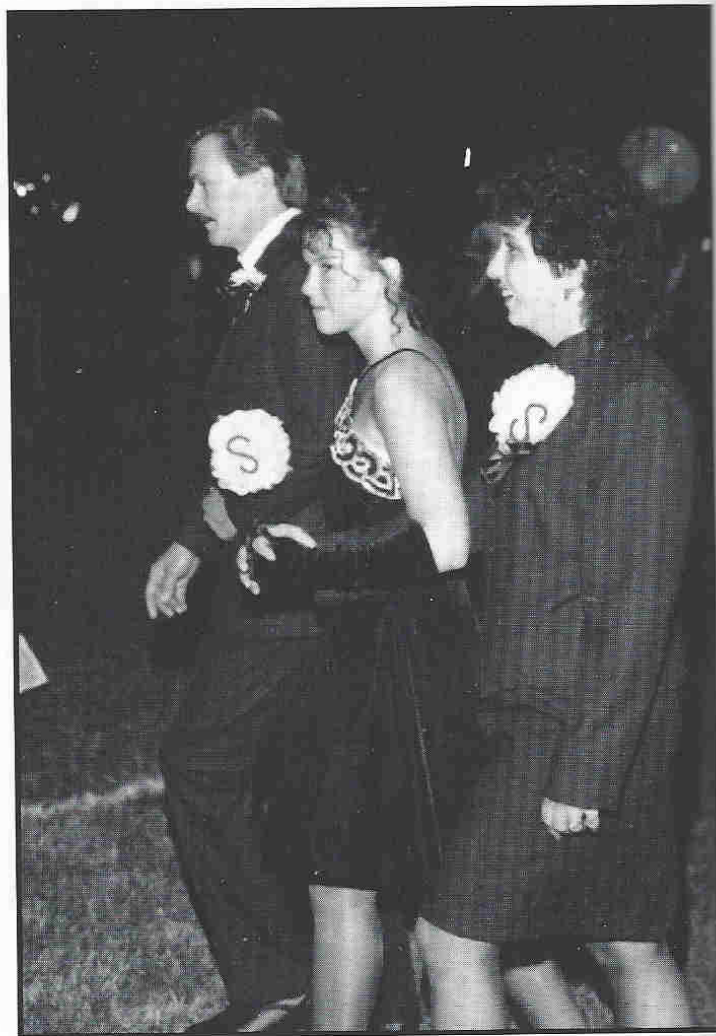

Preluding the magical night of crowning a king and queen, the school indulged

in a week of spirited activities. The week was summed up with a pep rally for the football team. Game night started off with the crowning of the king and queen.

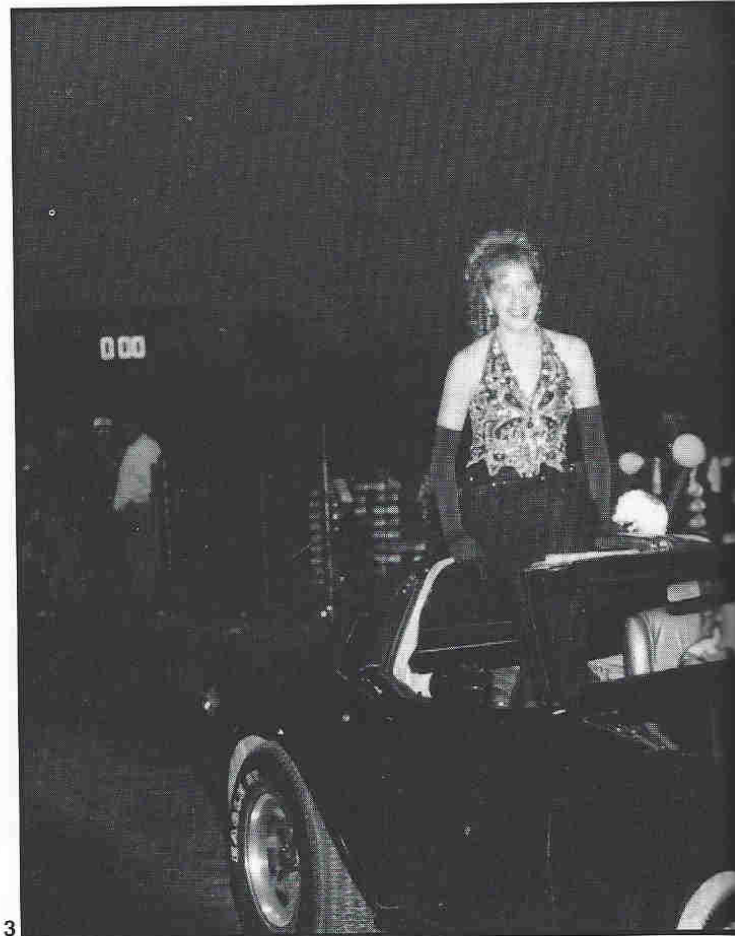

Mary Wagner and Craig Demagall were voted as queen and king for 1994 by the student body at SHS. The memory of being crowned as royalty on homecoming will remain with these two individuals for a long time to come.

"I was very surprised and embarrassed when I heard my name announced," explained the 1994 homecoming queen, Mary Wagner.

"Being crowned the homecoming king was a very memorable experience," Craig said.

# THE ORBITER

## VOICE OF THE ROCKETS

The 1994-95 Orbiter Staff successfully completed another year of journalism. The SHS staff has come a long way since their first paper sixteen years ago. In the first year of production there was only one paper published, but this year the staff produced seven papers. These papers were handed out for free to all students and staff. Each paper takes about five weeks to create from start to finish. First story ideas are thought up and assigned to members of the staff. These writers need to research their topic and get interviews with the necessary people. After all of the stories are written, the six page paper is laid out by the staff editors on computers. The paper is then sent to Pennsylvania to be printed. The Orbiter is rated by ASPA and has won first place in this national competition multiple times. Also, the Orbiter is rated First Honorable Mention by A.G. Hallidin Co. This year's editors were Paul Chudzinski, Melissa Polak, Danielle Formick, Margie Moore, Kelly Cipra, Melanie Cullen, Kalli Vimr and Polly Weitzel.

## UNDER CONSTRUCTION

**T**he theme "Under Construction" was developed by the yearbook staff for this years 1994-95 Golden Key. The staff of ten juniors and five seniors began working on the 144 page book in September and were not finished until June. Each staff member was assigned multiple pages to design in the Pagemaker program on the Mac computers. These pages are then sent to Josten's Yearbook Company to be put in book form. Yearbooks are then sold for \$35, which saves the student \$25.

# V ROCK 91.5 FM

The 1994-1995 school year was a very productive one for WSTB 91.5/V-ROCK. During the year, the station underwent many physical changes. They received new carpeting, office dividers, and a new wall to give the station a more business-like appearance. General Manager and instructor Bob Long has nothing but a positive outlook for the future of V-ROCK. Coming up in the spring of 1995 the station is receiving a power increase to 1000 watts and a move down the dial to 88.9 FM. Mr. Long hopes that this will greatly increase the listenership and make the on-air sound quality much clearer. "All in all, I can't say how good of a year it's been for myself and for the station," says Mr. Long. "It just keeps getting better year after year."

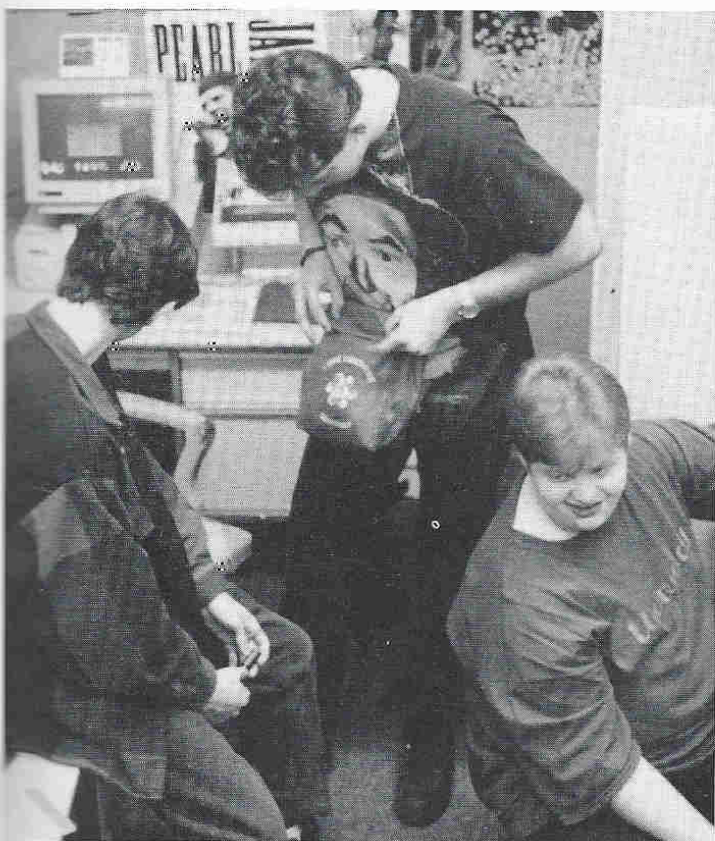

## V-ROCK

## CHALLENGES OPPORTUNITIES

### Chess Club 1994-95

This year's chess club sponsored two teams in the Greater Akron Scholastic Chess Team. Though the "A" team finished with a 1-7 record, all five members are underclassmen and gained valuable experience for next year. In the "B" team division, Streetsboro's team finished with a respectable record of 4-3-1, and just missed qualifying for the play-offs. John Ruediger finished fourth in the open invitational held on Saturday, February 24, 1995 at Western Reserve Academy in Hudson. Mr. Marek and Mr. O'Donnell served as advisors for this years club.

# Cheerleaders

## building spirit

The 1994-95 Rocket cheerleaders began the season with a good start. In the beginning of August, the cheerleaders attended a cheerleading camp at Baldwin-Wallace College in Berea. They came back with 3rd place in the Home Dance Competition along with many other awards.

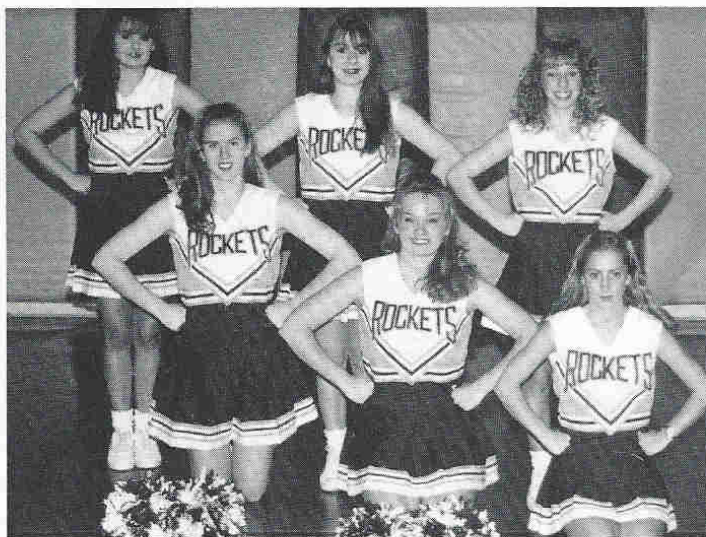

The cheerleaders did many new things this year such as adopting football and basketball players. Pep rallies had different themes throughout each season from story book fairy tales to "Rock the House" featuring the Sunlight Blues Band which included Assistant Principal Dr. Cornelius Drugan. Pep rallies were held for the girl's basketball team and the wrestling team.

The cheerleading basketball season was one of many changes. During the second half of the season, three lucky freshman cheerleaders moved up to varsity.

This year's cheerleading season was one for rebuilding and earning respect as a sport.

them, it showed that our league is better."

Although they were a small group, the seniors this year were dedicated and determined. "There was a small group of senior this year, but they took it as a challenge and hung together throughout the season. They never gave up and

all the success this year was due to their leadership," said Hostetler.

The team was really hurt this year being plagued by penalties. The Rockets committed 73 penalties losing 615 yards.

Some of the players felt that the team was closer this

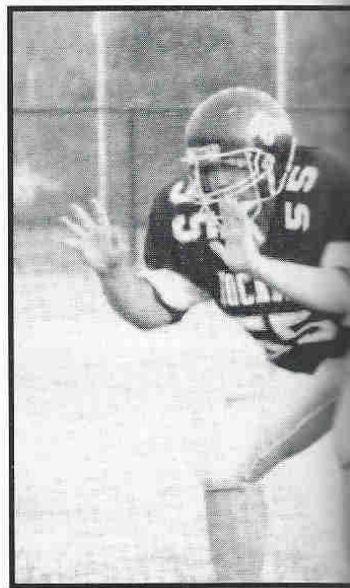

year than in the past. "In previous years the team hasn't gotten along as well as we have, and that really helped the team," said senior Brad Sladky.

Despite the closeness of the team and the dedication of the players, the season also had its low points.

"If I had to summarize the season in one word, it would be frustration," commented junior center Tom Rhinehart.

# V Spikers gain experience Volleyball

## Young Ladies to lead Rockets

The 1994 Lady Rockets Volleyball team ended its year with a losing record of 4-19, but it was a learning year for most of the young players who received varsity playing time. The team was quite small and a young team with only three seniors to lead the team. Seniors were B.J. Alexander, Jennifer Perry, and Christine Scheffel. Receiving All-PCL honors were junior Holly Skonieczny for second team and receiving honorable mention were seniors B.J.

Alexander and Christine Scheffel, and junior Betsy Tolcin.

Even though the girls had sort of a disappointing season, not reaching their goals they admit that they still had fun and don't regret playing. In seasons to come, the spikers should fare rather well in the PCL with all the young talent that is to return for the 1995 season. The team will be counting on this season's experience to carry them next season.

# SOCCER

**T**his year's Soccer Team came to SHS as a surprise. Being new to our school, the sport was announced during the summer months and was a challenge for its inexperienced players. All team members needed to learn the fundamentals and basic skills of soccer in a short period of time. With more experience and practice the future Booters are hoped to come out strong. The turnout for the sport was very pleasing. Next year the turnout is looking to be much bigger. Being a new sport, the Rockets were not included in the P.C.L., but will be included next year. The boy's team finished their season with a 2 and 10 record, while the girls team finished their season with a 2 and 6 record.

# GOOLF

## SEARCHING FOR INTEREST

1

This year's golf team was very small compared to that of every other school. Going into the season, Coach Buemi had high hopes of a winning season. The lack of interest hurt the team in their overall performance. The Linksters finished their season with a 2-15 record. According to Mr. Buemi, there is a lot of skill involved with this sport. With more preparation, hardwork and participants, the golf team will soon see a win in the North Division.

## Cager season fails to follow blueprints

1

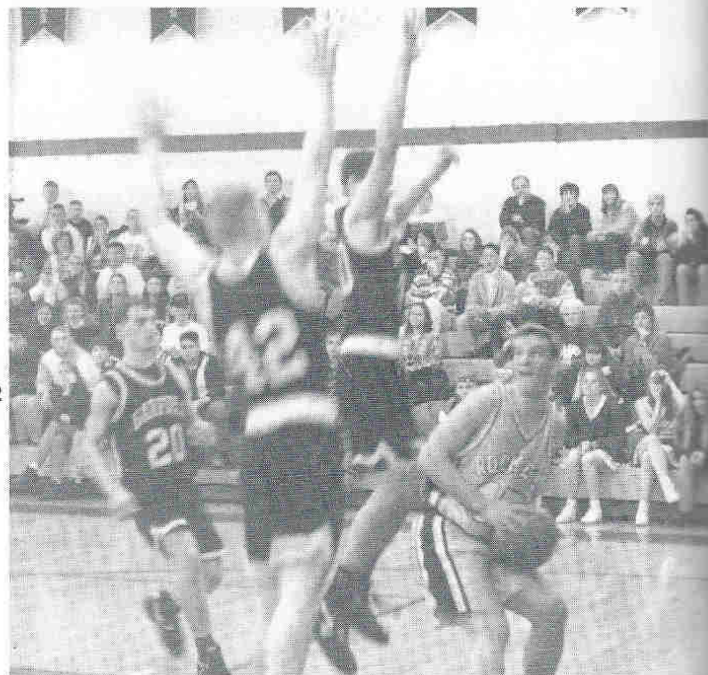

The varsity boys' basketball team finished its season with an overall record of 5-17. The team played hard throughout the season, but seemed to come up short in several close games. Head Coach Terry Peterson feels that inconsistency in defensive rebounding and numerous turnovers, especially late in the games, were the reasons for the team's record.

The team's greatest advantages were its speed, outside shooting and senior leadership. "The speed helped us in our transition and passing game," said Coach Peterson. "How-

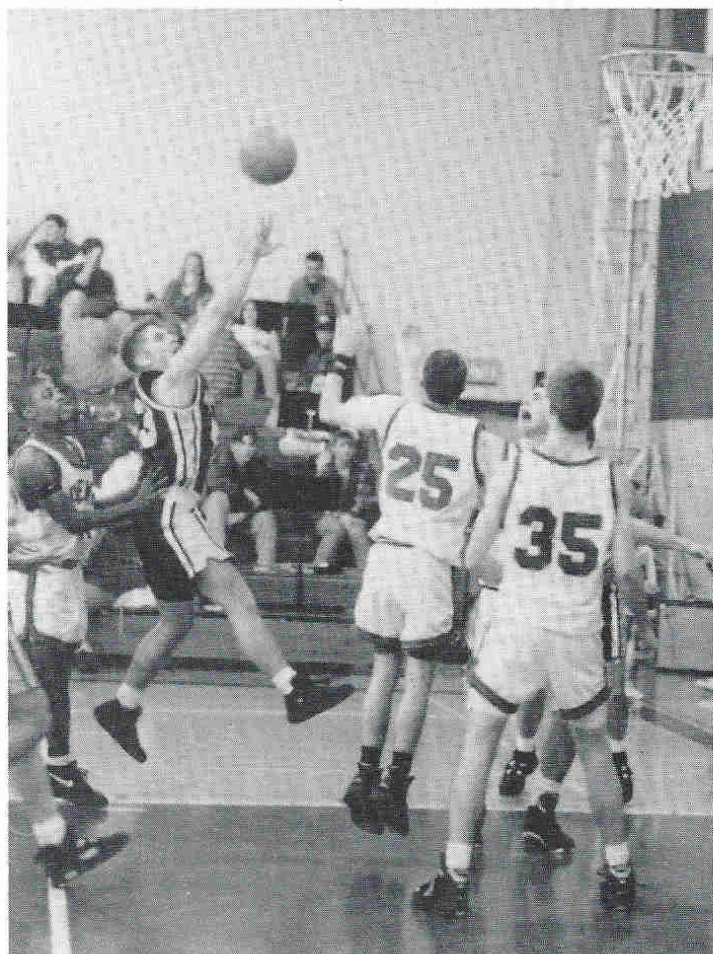

ever, our outside shooting was not as strong consistently as I thought it would be at the beginning of the season."

The seniors did make up for their lack of height in their leadership. "Our seniors did a fine

job at being leaders," said Coach Peterson. "Also, the team was unselfish and had the desire to excel. They worked well together and there was good team unity both on and off the floor."

## Constructing a better program

2

The Lady Rockets Basketball program continued to build in the 1994-95 season. A freshman team was added to the program for the first time in Streetsboro High School history and a Varsity locker room was created. A summer basketball camp was held and the Varsity team participated in a summer tournament. The Freshman and J.V. teams had fourteen victories, with the Freshman team becoming the first winning girls' basketball team in school history. Although the Varsity team suffered a winless season, they gained experience and improved their skills. The team was led by senior captains Christine Scheffel, Mary Wagner, BJ Alexander, and Jennifer Perry.

The Lady Rockets also attended a Browns game and travelled to Columbus to attend an OSU womens' basketball game. The trip enabled the team to experience basketball action at the college level.

# WRESTLERS SCORE HIGH

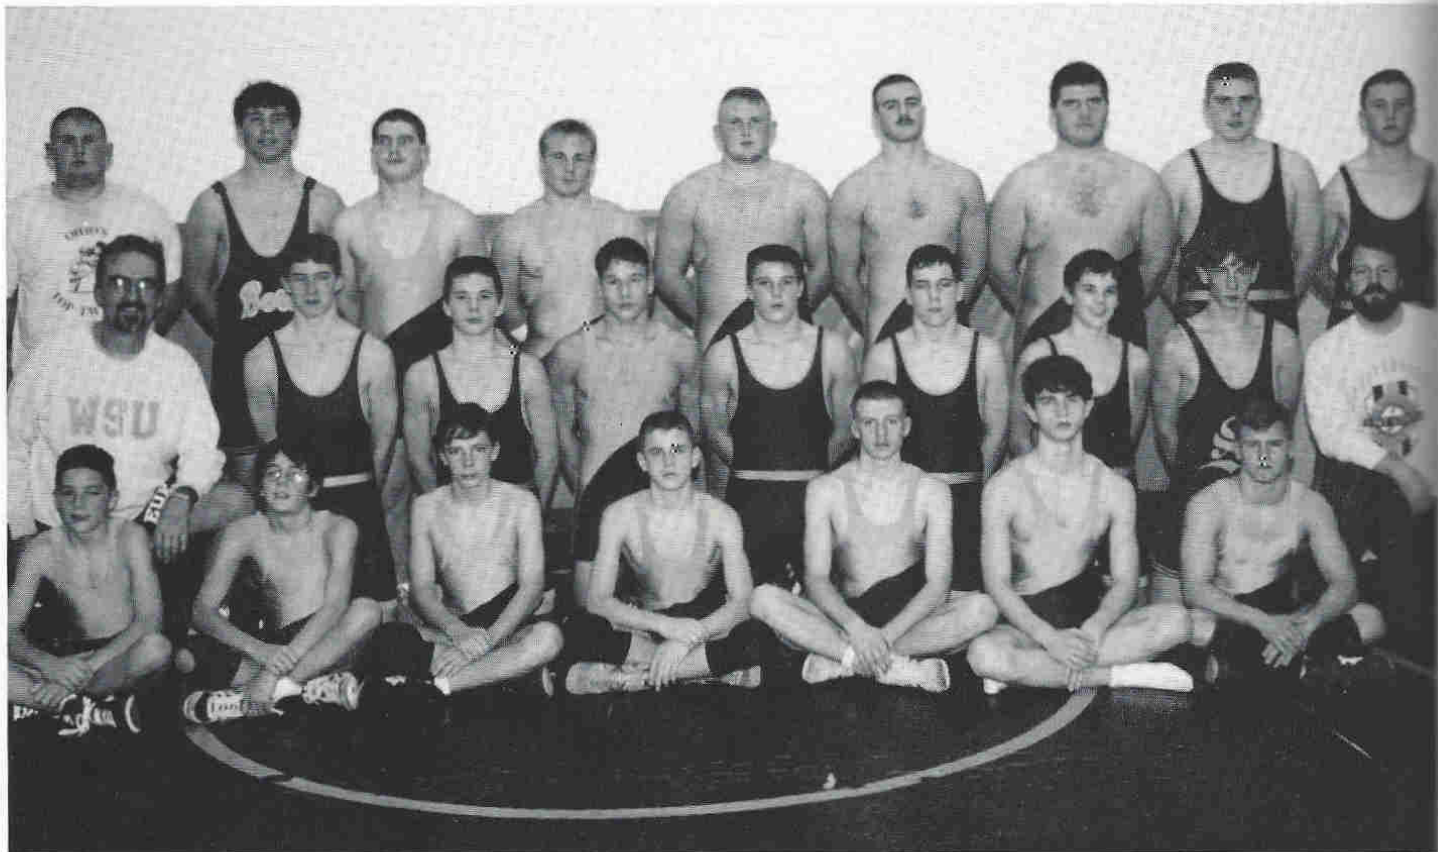

**T**he Boro wrestlers scored high again this year, ending with a record of 7-1. Four of the wrestlers this year went to Dayton to place 5th in the State Tournament. Among the four were senior Kenny Kasarda, senior Eric Smith, junior Kris Giebel, and sophomore Chuck Gerak. "Wrestling in the State Tournament was a great experience. I was a bit disappointed at the final outcome but overall I was pleased with my season," admits Kenny. Kenny Kasarda placed 2nd in the tournament, Eric Smith finished in 3rd place, and Kris Giebel received 4th place.

The 1994-95 season proved to be an excellent season with the Rockets finishing 2nd in the PCL. "We had a very productive season and our finish at the State Tournament was not an accident, but rather the result of four months of hard work and preparation," commented Coach Marek.

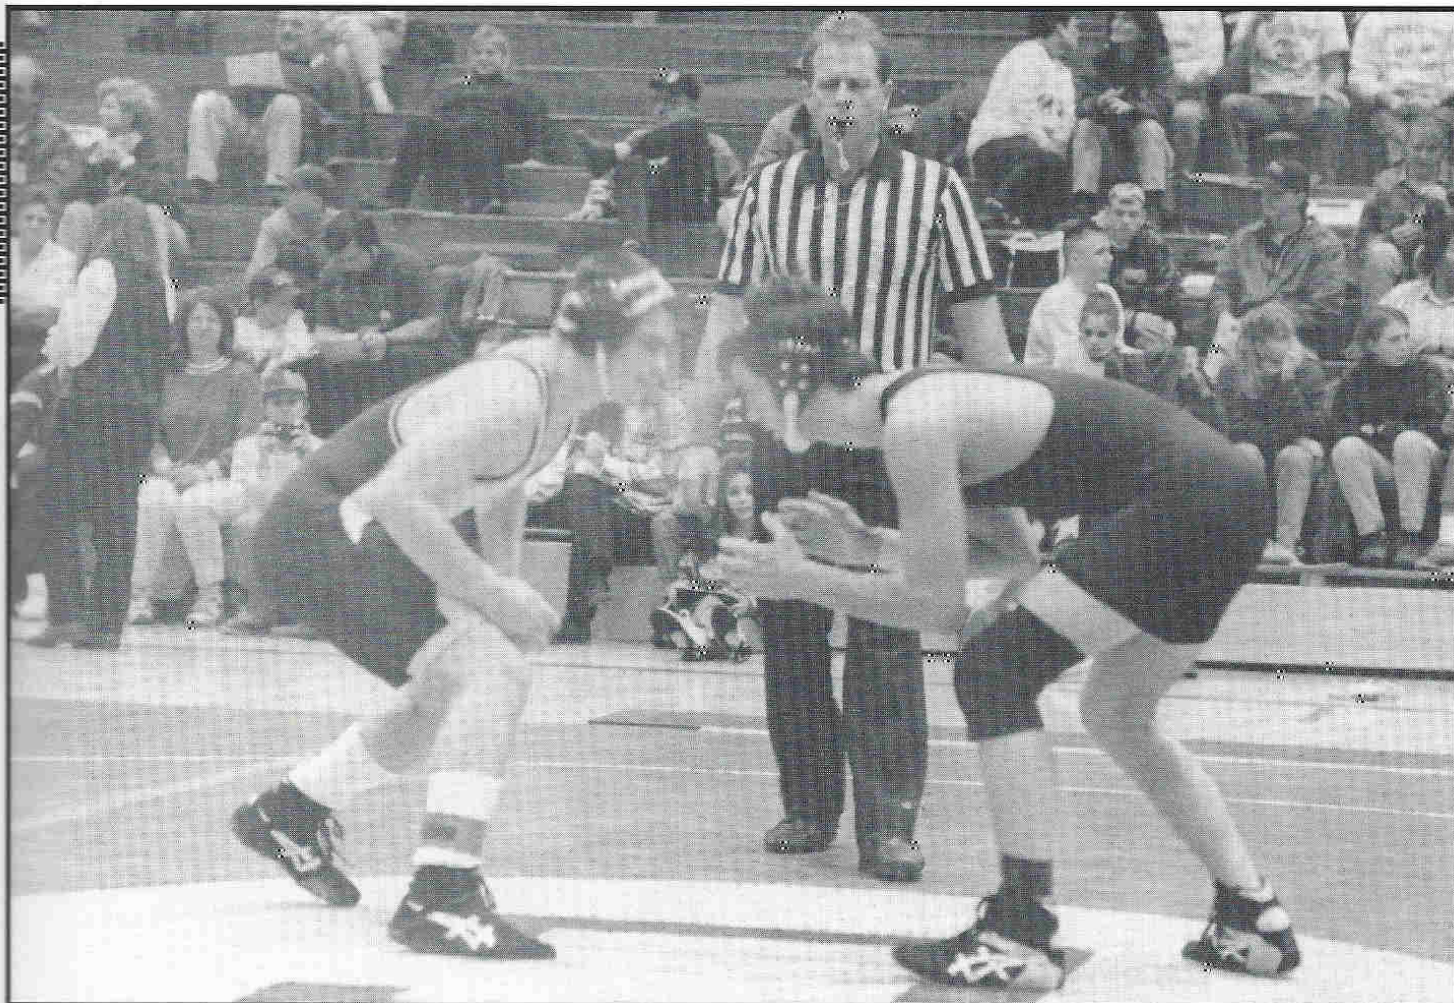

This year's team being young, having only four seniors, looks forward to next year's season. "This was my best year ever. I have waited a long time for this year to get here," senior Eric Smith says about his final year in SHS.

# Girls Softball slides home

**T**he Lady Rockets softball team has started off the season on a positive note. They have set three specific goals that are the same as every year to win, have fun, and learn. While those goals never seem to change, there is one goal that is different this year, and that is to win the PCL North again. "We have a good chance to defend our title from last season even though we have lost a few key players from last year. Garfield will be the toughest team in the north for us, but all the teams in the south will be difficult," said Head Coach Bill Buemi.

This will be a rebuilding year for the team, Upperclassmen, especially B.J. Alexander will have to guide the younger players through the change into high school softball. Although the team has a lot of talent, there is still room for improvement. Coach Buemi demands a positive attitude in practice and that is exactly what the Lady Rockets have been showing. "All attitudes must be positive or I will get rid of those who are negative," said Coach Buemi. "That's how successful programs

**A**lthough the boys track team finished the season a game under .500 at 4-5, the team still considered this season a successful one. The team won the Aurora Invationals and the Mogadore relays. The Rockets place fifth in the PCL and scored more points this year than the last several combined.

Leading the Rockets were several returning letterman seniors. Mark McLendon led the Rockets in the 400 meter dash setting a new school record of 50.9 seconds. Mark was the PCL champion in the 400 meter dash. Paul Chudzinski led the Rockets to many victories by winning the 800 meter run and the 1600 meter run. Paul was district champion in the 800 meter

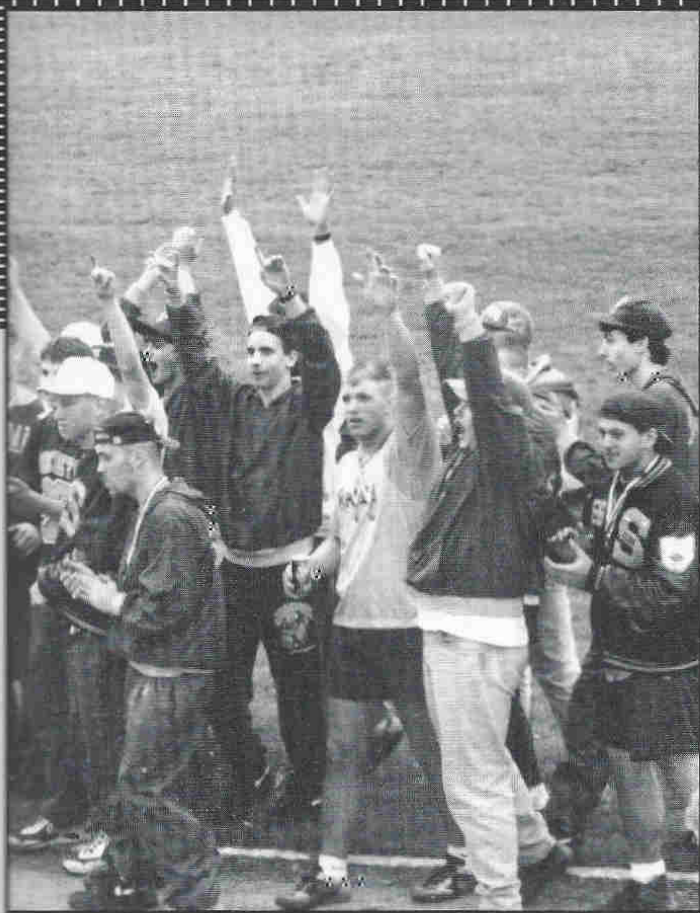

with a time of 1:59.3. Senior Bob Haas ran the two mile run for the Rockets capturing many first place finishes during the season. Craig Demagall was the Rockets 110 meter hurdler, capturing many firsts and advancing to the finals in districts. Howie Wingard led the team in the 300 meter hurdles. First year senior Greg Smith led the Rockets in the long jump. Seniors Brad Sladky and Sam Liotta, help the Rockets in the field events of high jump and shot-put.

Seniors were not the only ones to win all the meets. Junior Jeremy Paul helped by setting a new school high jump record of 6'2". Other underclassmen also did a huge part of making this past season a great one.

## GIRLS GAIN RESPECT

**G**O HARD!'"- Those are the famous words from the girls track coach and Coach of the Year, Mr. Fesemyer. The Lady Rockets began their season this year with a turnout of 30 girls- the most they've had in over 10 years. This large amount of girls came from the freshmen class. Compared to previous years, there was a lot of inner team competition. Times were run for spots on the relay teams and to see who would compete in the big meets, such as Aurora Invitational and Mogadore Relays. The result was the first winning record (5-4) in years.

This year in the PCL, the Rockets finished with 9 points. Placing for the Rockets were Becky Gorbe in the 100, 200, and the 4 x 100 Relay, Breea McComas, Jenell Raines, and Brandi Lintz also in the 4 x 100 Relay, Breea McComas, Christina Page, Beth Stutzman, and Melisa Barzal in the 4 x 200 Relay, Christina Page, Doreen Maag, Whitney Birkey, and Beth Stutzman, in the 4 x 400 Relay. This was a great improvement from last year's 2 points. In District Finals, the ladies scored one point from Doreen Maag in the 300 hurdles, while the 4 x 200 Relay team, (Becky Gorbe replacing Melisa Barzal), finished eighth.

## 'Up the Down Staircase' portrays the reality of high school

The lights lowered, the audience grew quiet, and action from the many actors in *Up the Down Staircase*, began. With Mrs. Annette Peterson directing and all the effects of lights, the play was performed with an amazing, realistic outlook on high school life. "With such a big cast, everyone gets a little experience in acting," recalls Peterson. *Up the Down Staircase* was a play that demonstrated life as a high school teenager—full of anxiety, hatred, and even love. The

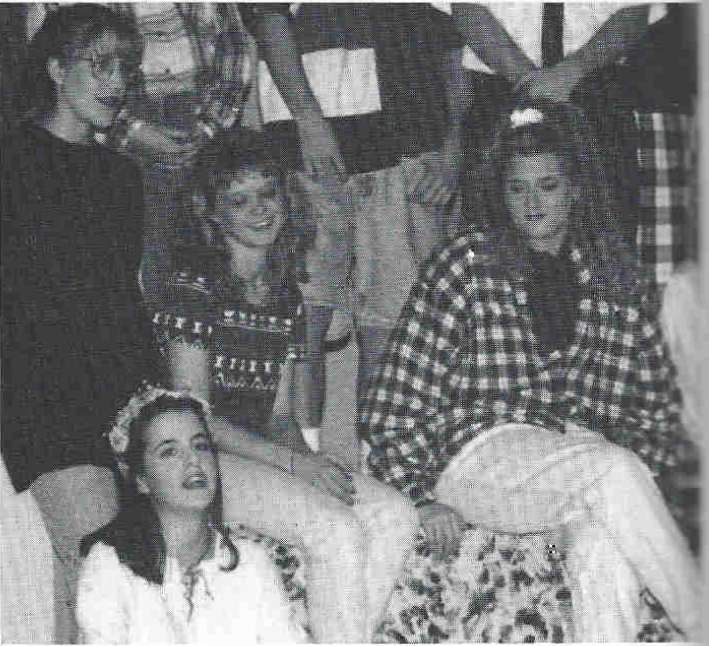

characters in the play were allowed to express their innermost feelings of the new teacher Ms. Barrett, performed by B.J. Alexander. Some students disliked the new teacher's way of teaching and mistreated her. But by the end of the play the students' feelings had changed and so had Ms. Barrett herself. All three performances went well except for the minor exception of skipping a couple pages in the dress rehearsal. What did one expect from a cast of wild teenagers?

Talking about the way she really feels on the topic of American literature is student Elizabeth Ellis played by junior Melanie Buss,(1).

## 'The Curious Savage'

brings out the crazy in all of us

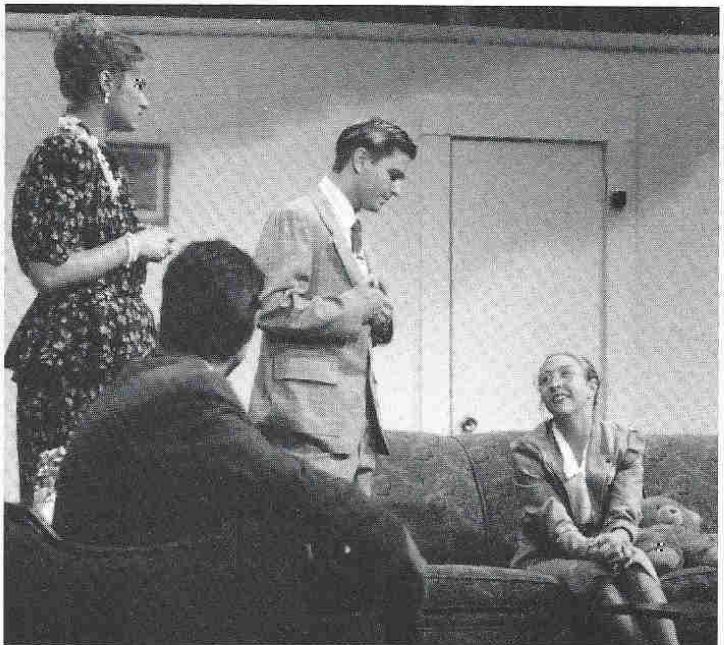

**T**he *Curious Savage*, this year's spring play, was performed for the entire school due to the excellent behavior during the fall play.

*The Curious Savage* was portrayed by a small cast this year concentrating mostly on character. The characters in the play all had their own unique personality. One character, Mrs. Paddy, very rarely spoke because her husband had told her that anything she said was worthless. If Mrs.

4 Paddy did speak she only

listed the things she hated. Another character, Florence, believed that her doll is her five year old son!

"Having such a small cast allowed the actors gain a sense of belonging and togetherness," recalls Director Peterson. "On stage the small cast really proved to work well because the development of characters was believable." The actors performed another great play at SHS proving that being crazy really can be fun!

With pride and stigma, Hannibal, played out by senior Doug Wilcox, plays his violin for the elegant Mrs. Savage, portrayed by junior Kelly Cipra, in *The Curious Savage*, (4).

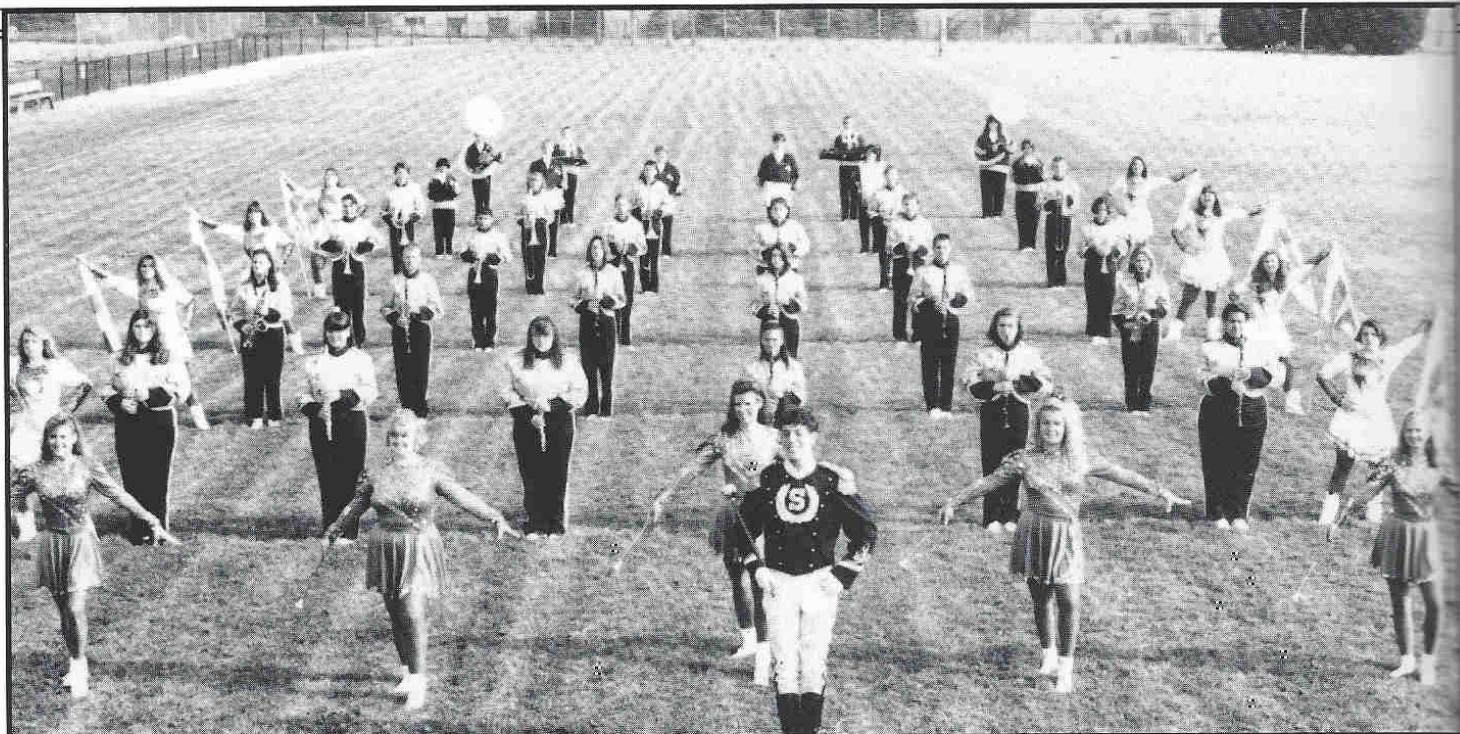

Explaining that it is women's work to climb on chairs is Fairy May portrayed by freshman Shawna Cullen. Impatiently waiting for *Life Span of the Apes* is Jeffrey played by junior Jeff Berezne, (5).

Holly Skonieczny and Mike Thomas chastise Kelly Cipra who played Mrs. Savage, (6).

With confusion and suspense the cast of *The Curious Savage* tries to solve the case of the missing bonds worth ten million dollars. From left to right are Shawna Cullen, Elizabeth Pennock, James Munkres, Melanie Buss, Mike Thomas, Jeff Berezne, Doug Wilcox, and Kelly Cipra, (7). Not shown but needed to complete the performance are Amanda Young, Holly Skonieczny and Polly Weitzel.

# A NOTE FROM THE BAND

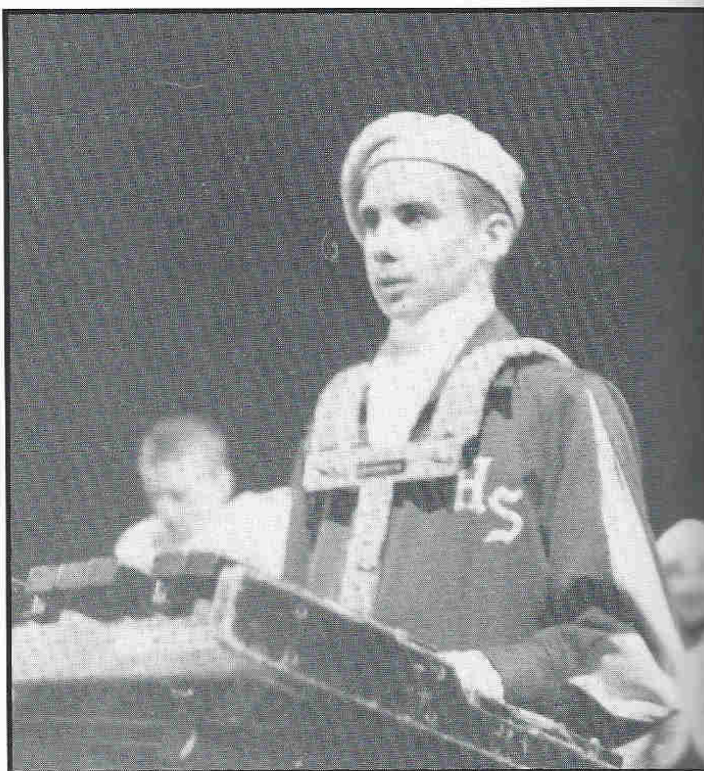

1

The 1995 band season was full of fun times but also a lot of hard work. The band was very successful at band camp where they not only had a lot of fun but also learned a lot. This year the band traveled once again to Virginia, taking their fun times and their talent with them. The band stayed four days in Virginia, where they marched in the Dixie Parade receiving ribbons and four trophies. When the hard work was over, they had many laughs at Busch Gardens and at the ocean in Virginia Beach. The proud members brought back many awards and fun memories to end the 94-95 season.

The members included; Andrea Anderson, Melisa Barzal, Jennifer Bevington, Cherie Borowski, Elizabeth Bryan, Tina Campo, Wendy Campo, Melanie Cullen, Shawna Cullen, Staci Dalton, Kimberly Dombrowski, Brianne Dunfee, Yuko Egawa, Nichole Ebling, Derick Fowler, Sarah Granville, Micheal Hanning, Robert Hanning, Shetri Hawkins, Katie Hearn, Holly Holcepl, Renee Kessler, Jodie King, Sal Licota, George Locktish, Sandra Long, Jefferson Lowery, Brandy Maistros, Stephanie Manijak, Anastacia Marshall, Bryan Marshall, Adam Mc Vay, Mcquillen Antoinette, Andy Murray, James Nanassy, Christina Page, Yvonne Patti, Tim Pavlick, Jennifer Perry, Amy Prijatel, Meagan Purcell, Pam Rees, Frank Reight, Mark Ruediger, Brian Strong, Richard Taiclet, Dan Teibel, Dana Todd, Daniel Todd, Benjamin Wolff, and Joshua Yanetsky, (1).

# Junior Olympics

## OUTDOORS

For many years now the Student Council has put on a Junior Olympics for the student and staff members here at Streetsboro High School. This year the event took place at a different location, inside the Glinastis Stadium, on April 27, 1995. The rain day was set for April 28, 1995.

This year's activities included very messy obstacle courses, the human wheel barrow race and lots of chocolate syrup. According to junior Melisa Barzal, one of the organizers, the whole point was to make this the messiest Junior Olympics ever. "It was hard to get everything together and follow our budget, but thanks to everyone who donated everything, it really helped us out," she said.

The winners of this year's Junior Olympics were the seniors. The team members were Mike Wiggers, Sam Liotta, B.J. Alexander, Jennifer Perry, Doug Wilcox and Kim Kessler. This particular class has won the event three years in a row. Good job seniors!

**P**rom is an exciting event that ends the school year and leaves SHS students with many memories to last for years to come. Prom 1995 was a little different than other proms. It was held on Friday, May 5 at Plaza East in Ravenna. "I really had fun this year. Where Prom was held this year was a lot better than last year," senior Mark McLendon said.

Perhaps the most important event of the night was the crowning of the King and Queen. Last year's King Mike Benci and Queen Angie Medina were present to pass down their titles. Mark McLendon and Kellie Bennett were crowned king and queen of the 1995 Prom. "I was very shocked. I couldn't believe it. I still can't believe it," commented Kellie Bennett. Other king and queen candidates included Jesse Crawford, Kris Jankowski, Carrie Ebling, and Patricia Swekowski.

The crowning of the king and queen were not the only memories of the night. Students will never forget the laughter, the dancing, and the fun. "I remember all the seniors out on the floor dancing and acting goofy. I think that is a good memory," said King Mark McLendon.

After the dance ended, most students attended after-prom at Stone Hedge in Cuyahoga Falls. Also, many students went to King's Island the following day, reluctant to let the wonderful weekend come to an end.
