Jordan James Eslit

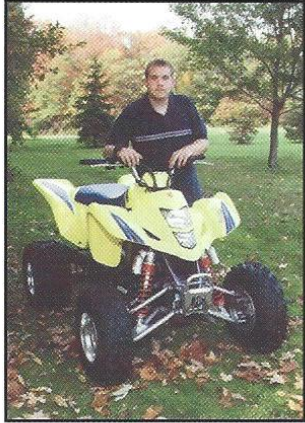

Born June 9, 1989 at 5:49 am, weighing in at just 2
lbs. 9 oz. As a baby, Jordan had a hard life. Being that
he was born premature, he has been in and out of the
hospital, taking medication after medication. His biological
father was hardly ever around, so I raised him as a
single parent with the help of his beloved grandfather,
Larry Eslit, and his nurturing grandmother, Sylvia Eslit. I
tried to keep Jordan as healthy and happy as I could. The
only thing that was missing in his life was a father figure.
We were blessed when Alan Mura came into our lives.
Alan took Jordan in with open arms and treated him like
he was his very own flesh and blood. That is when a new
life began for Jordan and I. Jordan's stepfather and I
always made sure he had the help and support that he
needed while growing up from elementary to high school.
Yes, we were a bit strict, but only for the better of
his future. Now, look at him! He has grown into a very
responsible and respectable fine young man and we are
very proud of him!

Jordan, even though life was tough growing up
with us, please remember, it was only
because we care and want the best for you.
It may have seemed like or even still seems
like we are always on your case. It is true,
but it's only because we love you and want to
help you to make the right choices. We are
very proud of how far you have come and for
all that you have achieved. You may not
realize it, but we do recognize everything that
you do. I know you may have a hard time
approaching us at times but we want you to
always remember that WE LOVE YOU and
until God says it is time for us, we will
ALWAYS be there for you with open arms.
CONGRATULATIONS, you've made it. Sort
