### SUCCESS:

To laugh often and much,  
To win the respect of  
intelligent people and the  
affection of children;  
To earn the appreciation of  
honest critics and endure the  
false betrayal of false friends;  
To appreciate beauty, to find  
the best in others;  
To leave the world a bit better  
place, whether by a healthy  
child, a garden patch or a  
redeemed social condition;  
To know even one life has  
breathed easier because you  
have lived.  
That is to have SUCCEEDED.

## Seniors 2009

**Cory, Carrington, Bobby, Rico, Benny, Robert:**

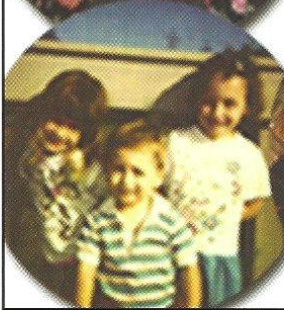

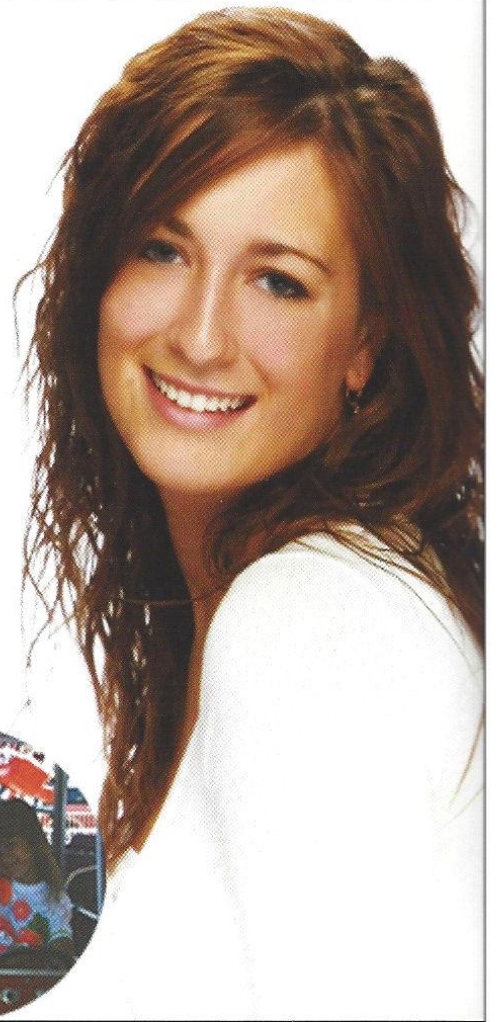

On behalf of the Streetsboro boys basketball team and coaching staff, I would like to say thank you for all of your hard work and dedication throughout your academic and athletic careers here at Streetsboro High School. You have provided so many great memories for this community during your 4 years, and especially your senior year at SHS: Back-to-back PTC championships and the first ever Rocket Boys Basketball District Championship in school history! (Defeating Poland will be a memory I will never forget.) Because of you seniors, everyone knows where Streetsboro is and the type of excellence that is expected in academics, athletics, and in character. In whatever you do beyond Streetsboro High School, always strive to get "one day better" every day and to cherish the many valuable tools that you have gathered along the way through meaningful relationships. Even though you will no longer be within the walls of Streetsboro High School as student-athletes, you are still an integral part of the "family" that is Streetsboro Basketball.

## LEAH FRIEDLANDER

From the day you were born we knew we were blessed with a special gift from God. Seems not long ago when you were little, how you loved to sing and dance for us with the karaoke machine but now you've really grown up. You have become a beautiful, loving and caring young woman who has made us very proud to have as our daughter. Keep up the good work and you will succeed in everything you attempt. Congratulations Leah we love you more than life and we will always be here for you. Love Mom & Dad
