Attended Ice Cream Social. Got a few members. Still want to make more money for scholarships. Would like to have endowed funds. Bulk of our money goes to scholarship and the costs of running the association. We had nine candidates for the 2016 scholarships. We awarded 5. Ed sent 450 birthday cards, 9 sympathy cards. Ricky Graeser and Michel Heroux belong to the Educational Foundation. Newsletters are sent quarterly. Vice President's Report: Secretary looking at new High School showcase for memorabilia – revolving display Seasonal (football, basketball, band, etc.). Feel it is better to be at the new school. Looking for memorabilia, we do have some. Have one more goal on our agenda. Other than membership we are also looking for new blood. Stop just short of begging for participation. Asking and praying to keep our selves where we have gotten. Need to find out what other groups are doing and encourage new people with new ideas to come.

Michel Heroux said he is very impressed with the Principal and Vice Principal at High School and some of the staff. They are supporting us and helping get out the word about scholarships. Hope to have our alumni showcase in the "commons" area.
