Vice President's Report: Looking at how many people are in attendance here, proud of turnout. We would love to see you next year. Main goal is to give out scholarships. First year we had few put in applications. Parents have to be life time members of association. Expenses are few (postage, P.O. Box) the rest of the money goes to scholarships. Would like to form a committee to try to reach other alumni. Jana Dengg, Tammy Curran have volunteered to be on it. Chaired by Ted Hurd. Meet quarterly to reach out to alumni. Looking for families who might be interested in donating scholarships (in memory of or celebration of loved ones) or maybe one for \$250.00 for a baseball player, for example.

Membership: 80% of money goes to scholarships. 20% goes for postage by mail. If I get email addresses, no cost. 543 lifetime members, 68 associate for 611 total. Those here with blue dots are

Lifetime members, yellow dots are associate members. 70 of our life time members have passed. Lost two members from class of 1968 in the past year. Ken Brady 7/1 and Mike Mack 8/5.
